* Programs should report graduation rates for program's Advertised Length of Completion which is how long the program is designed to complete as written.

** Masters and Doctoral programs are required to provide this information. Job Placement Rates by cohort is defined as the percentage of graduates from the cohort year listed that are employed utilizing skills learned in the COAMFTE accredited program.

*** Masters programs are required to provide this information. Doctoral and Post-Degree programs are encouraged to share this with the public. For Master's programs only, COAMFTE has established a benchmark of 70% licensure rate for each cohort.

**** Graduates of a MFT Master's program in Tennessee are not required to get a Temporary License to practice under supervision unless they own and operate a private practice. Some graduates choose to delay applying for their Temporary License in the state of Tennessee. Licensure rates are therefore reported three years post-graduation.
