

ENVIRONMENTAL POLICY STATEMENT

We, the members of the Lipscomb community, affirm our belief that we have a responsibility to take a leadership role in preserving and protecting the natural world in which we live and to educate and inspire our students to be exemplary environmental stewards and global citizens.

I

INVOLVE All members of the Lipscomb community – the faculty, staff, administration, and students – will be active participants in environmental decisionmaking and stewardship.

M

MINIMIZE Lipscomb will strive in its daily operations to minimize adverse effects on the environment resulting from our choices, including purchasing, waste generation and disposal, and campus growth.

P

PRESERVE We will preserve and protect the earth's limited natural resources by reducing energy consumption overall and increasing the use of renewable resources.

A

ADVANCE Lipscomb will continually advance in our progress towards exemplary environmental leadership.

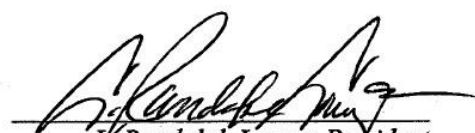

C

COMPLY Lipscomb will comply with all applicable environmental laws and regulations and serve as a model for the community in promoting the spirit of environmental stewardship.

T

TEACH As educators, we will strive to motivate and inspire our students, as well as the greater global community, to incorporate a sense of environmental responsibility into all aspects of daily living.
