## DOMAIN 2: Employment and Retention

Meets expectations

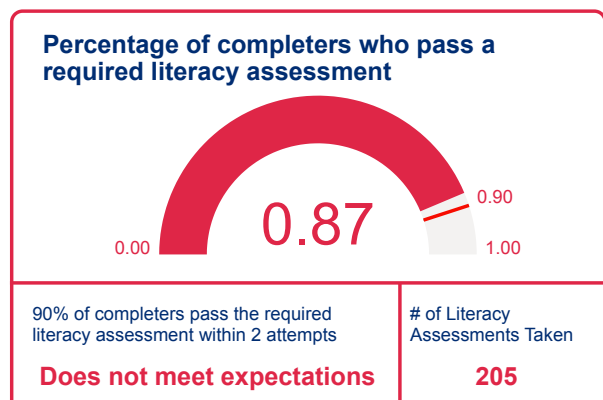

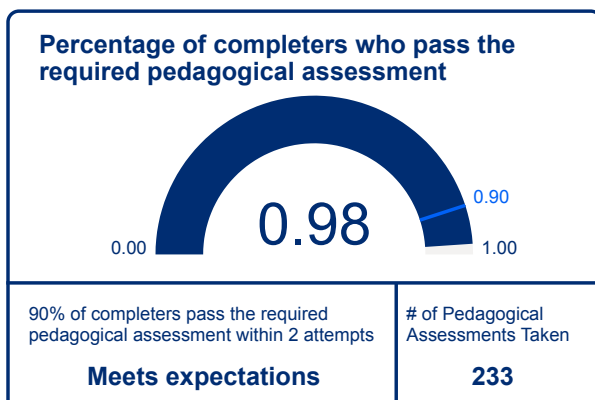

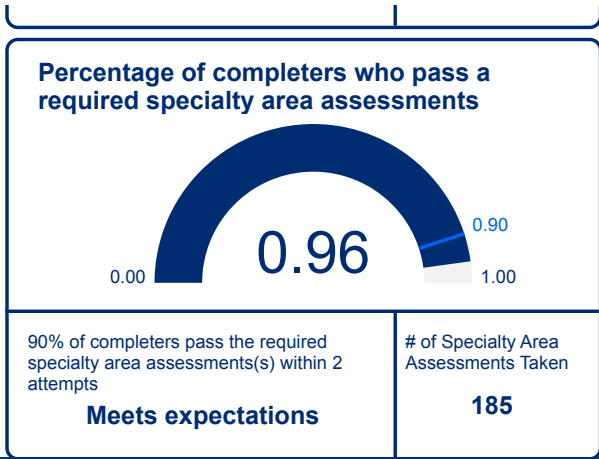

### Did your Education Preparation Provider meet Domain 2 Expectations?

An EPP must meet the expectation for this metric to meet expectations for Domain 2. If an EPP is not scored for this domain, it will not count towards the overall expectations.

## DOMAIN 3: Candidate Assessment

Meets expectations

### Did your Education Preparation Provider meet Domain 3 Expectations?

An EPP must meet two of the three metrics to meet expectations in Domain 3. If an EPP has fewer than three metrics reported the following scaled set of expectations has been established:

- If an EPP has two metrics reported, then expectations for both metrics must be met.
- If an EPP has fewer than two metrics reported, the EPP will not be evaluated on this domain.

## DOMAIN 4: Completer, Partner and Employer Satisfaction
