

International Student Scholarships

International Scholarship

- You must be on an **active visa** to qualify for the following international student scholarships:
 - On-campus applicants can receive up to a **50% tuition discount** or a higher merit scholarship, if awarded.
 - Off-campus applicants can receive up to a **30% tuition discount** or a higher merit scholarship, if awarded.
- Student-athletes receiving athletic aid are not eligible for the international student scholarship and may only receive merit-based scholarship funding.

Merit-Based Scholarships

- Our merit-based scholarships are awarded based on GPA and/or test scores.
- **International student scholarships and merit-based scholarships are NOT stackable. However, you will be awarded whichever scholarship has the greater value between your merit scholarship and the international student scholarship.**
- Athletes receiving athletic aid can only receive merit-based scholarships.

Athletic Scholarships

- Per NCAA regulations, all student-athletes must earn their athletic scholarship.
- **Athletic and merit-based scholarships can be stacked.**
- Athletic and international student scholarships cannot be stacked

Sponsors

- If you are being financially sponsored, you must submit an **Affidavit of Support** as part of the I-20 process.

Country of Origin Scholarships & Financial Support for International Students

- We always encourage our international students to check with their **home country's Ministry of Education** or related government departments to explore scholarship opportunities, particularly for specific fields of study.
