Practice Responsibilities

Lipscomb University-

2022- 2023

Assistant Director of ABSN Program; Instructor of Nursing

Major responsibilities included the development and launch of the Accelerated Bachelor of Science in Nursing (ABSN) program. Program launch included gaining accreditation at the School of Nursing and university levels and approval from the Tennessee Board of Nursing. Overseeing program development including structure, methodologies, course congruency, online Learning Management System instructional design. Overseeing management of faculty task force, faculty hiring, budgeting, and recruitment/ marketing. Educate students in both the online and in-person methods for a variety of courses.

Key Accomplishments:

1. Received University Academic Council approval for ABSN program
2. Gained SACSCOC accreditation for ABSN program
3. Gained ACEN accreditation for ABSN program
4. Received TBON approval for ABSN program

Belmont University-

2022- 2023

Instructor of Nursing; Nursing Simulation Specialist

Major responsibilities included the development of nursing simulations throughout the concept-based curriculum, involving simulation design, facilitation, and evaluation. Assisting faculty in the creation of in-class learning activities and simulation reviews. Ensuring simulations met best practice ethics and standards (INACSL). Providing faculty development and training related to simulation pedagogy. Coordination and training of standardized patients/ participants for simulation. Overseeing daily simulation operations

for faculty. Education of students through simulation, laboratory, and in-patient clinical experiences. Providing feedback and guidance through reflections, concept maps, care maps, and various learning activities. Facilitation of discussion through pre-brief and debrief conversations to aid in the connection of nursing theories to practice application.

Key Accomplishments:

1. Development of new simulations in two nursing courses
2. Reconstructing two simulations to the unfolding format
3. Nomination for two College of Nursing committees (Nominated by faculty peers)
4. Onboarding and training of the simulation assistant

Lipscomb University- Nursing Admissions Recruiter

2020- 2022

Major responsibilities included recruiting nursing students at various events, both on and off of campus. Developing relationships with prospective students and families. Acting as a liaison between the School of Nursing and all other on-campus departments including, but not limited to, the Office of Admissions, Marketing, Public Relations, and Financial Aid. Facilitating application management for incoming freshmen through nursing direct admission, transfer nursing student applications, and upper-division nursing applications. Leadership of School of Nursing student organizations, prospective student visits, and recruitment events.

Key Accomplishments:

1. Increasing nursing enrollment to become the largest major on campus
2. Formation of an electronic Nursing Application
3. Creation of the electronic Intent to Progress form
4. Systematic restructuring of the School of Nursing admission timeline, from inquiry to enrollment
5. Development of School of Nursing social media
6. Establishment and maintenance of School of Nursing marketing materials and recruitment merchandise
7. Succession planning, including the onboarding and training of future Nursing Admissions Recruiters

Heritage Medical Associates- RN

2019- 2020

Major responsibilities included providing obstetric and gynecological nursing care to patients in the outpatient clinic setting. Performing fetal monitoring, prenatal measurements, and various screenings for patients throughout pregnancy. Assisting physicians in outpatient surgical procedures. Providing nurse triage services to all patients. Performing healthcare administrative tasks involving scheduling, billing, and pharmaceutical/ insurance relations.

St. Thomas Midtown Hospital- RN

2016- 2019

Major responsibilities included providing nursing care to newborn and obstetric patients in multiple in-patient women's health units. Performing as a student registered nurse preceptor and new graduate registered nurse preceptor. Completing training for replacement charge nurse positions for postpartum and nursery units.
