EDUCATION:

July 2008 – June 2009

Primary Care Specialty Residency
University of Tennessee/Holston Medical Group
Kingsport, Tennessee

May 2008

Doctor of Pharmacy
University of Tennessee
Memphis, Tennessee

2001-2004

Pre-Pharmacy
University of Tennessee
Knoxville, Tennessee

TRAINEESHIP & CERTIFICATE PROGRAMS:

2017-present

Accreditation Council for Pharmacy Education (ACPE),
Site Team Evaluator Training

2015-present

American Pharmacists Association Certificate Program
The Pharmacist & Patient-Centered Diabetes Care

2010-2012

Insulin Pump training – Medtronic

2009-2012

Insulin Pump training – Animas and OmniPod

2005-2008

Basic Life Support and Automated External Defibrillator
Instructor, American Heart Association

2005-present

Pharmacy – Based Immunization Delivery
American Pharmacists Association Certificate Program

2004-present

Care Provider Cardiopulmonary Resuscitation
(CPR)certification, American Heart Association

LICENSURE:

2011 – present

Board of Pharmacy Specialties #6110140
Board Certified Ambulatory Care Pharmacist

2010 – present

National Certification Board of Certified Diabetes
Educators #20120345
Certified Diabetes Care and Education Specialist

2008 – present

Pharmacist; Tennessee #33092

ACADEMIC APPOINTMENTS

Lipscomb University College of Pharmacy and Health Sciences

May 2016 – present

Director of Experiential Quality Assurance

June 2014 – present

Associate Professor

August 2012 – June 2014

Assistant Professor

Vanderbilt University School of Nursing

February 2013 – present

Adjunct Professor

Meharry Medical College

January 2013 – December 2014

Health Policy Associate

Robert Wood Johnson Foundation (RWJF) Center
for Health Policy

Bill Gatton College of Pharmacy at East Tennessee State University

August 2009 – July 2012

Assistant Professor

University of Tennessee Health Sciences Center College of Pharmacy

August 2008 – June 2009

Clinical Instructor

PROFESSIONAL EXPERIENCE:

August 2012 – Present

Lipscomb University College of Pharmacy

Clinical Practice Site: Clinic at Mercury Courts

August 2009 – July 2012

**Bill Gatton College of Pharmacy at East
Tennessee State University**

Clinical Practice Site: Johnson City Downtown Clinic
and State of Franklin Healthcare Associates

January 2011 – July 2012

Olde Towne Pharmacy

Jonesborough, Tennessee

July 2008 – June 2009

Family Prescription Center

Mountain City, Tennessee

CLINICAL PRACTICE EXPERIENCE

September 2012 – present

Vanderbilt Primary Care – West End

Lead Clinical Pharmacist

Vanderbilt Primary Care at West End is a nurse-managed health center. Clinical responsibilities include consulting with an interprofessional healthcare team comprised of physicians, nurse

practitioners, counselors, and social workers, as well as managing patients chronic disease under collaborative practice.

July 2011 – July 2012

**Johnson City Downtown Clinic ETSU College of Nursing and Bill Gatton College of Pharmacy
Director of Clinical Pharmacy Services**

The Johnson City Downtown Clinic is a Federally Qualified Health Center (FQHC) managed by the ETSU College of Nursing. My clinical responsibilities include consulting with and for an interprofessional team of healthcare providers (ie nurse practitioners (Behavioral Health, Pediatrics, Family), specialty physicians (endocrinology, gastrointestinal, and dermatology), social work, and psychology. The spectrum of responsibilities includes formulary management, diabetes education, educational programming for providers, and chronic disease management

August 2009 - July 2011

**State of Franklin Healthcare Associates (Johnson City Internal Medicine)
ADA Accredited Diabetes Treatment Center**

In clinical practice, time was spent educating patient with diabetes mellitus in which primary care physicians refer patients to clinic. The nature of the collaborative practice agreement allows for autonomy concerning diabetes management (i.e. initiation of medication therapy (insulin pump, oral medications, and insulin), physical assessment, lifestyle modifications (meal planning and increasing activity level), laboratory monitoring, group class education, and placement/interpretation of continuous glucose monitoring systems (CGMS). Recommendations are made concerning other chronic disease states.

July 2008 – June 2009

Holston Medical Group (Integrated Health Management Services)

Holston Medical Group is a privately owned 150 provider healthcare group. I was located in the Integrated Health Management Services Department. This was a collaborative practice in which clinical pharmacists were integrated into practice with an endocrinologist, vascular specialist, a rheumatologist, and family practice. The collaborative practice encompassed chronic disease such as diabetes, hypertension, anticoagulation, and hyperlipidemia.

TEACHING RESPONSIBILITIES

Lipscomb University College of Pharmacy and Health Sciences

January 2019 – present

Physician Assistant Studies

Cardiovascular Pharmacology Case Study

August 2012- present

Didactic Teaching

Pharmacotherapy II
Foundations in Pharmacy Practice
Medical Management of Vulnerable and Underserved
Ambulatory Care Elective
Financial Foundations
Clinical Concepts of Disease

Clinical Instruction

Ambulatory Care/Vulnerable Populations (APPE)
Introductory Pharmacy Practice Experience (IPPE)

Residency Instruction

PGY2 Ambulatory Care Residency
PGY2 Psychiatric Residency
PGY1 Community Pharmacy Residency

Additional Instruction

Clinical Seminar I and II
Applied Pharmacotherapy
Interprofessional Grand Rounds
Applied Christian Values
Research Pharmacy Practice Elective
IPPE Active Learning Session (P1 and P2)
IPPE Simulation (P1)

Bill Gatton College of Pharmacy at East Tennessee State University

August 2009 – July 2012

Didactic Teaching

Non-Prescription Pharmacotherapy and Self Care
Introduction to Pharmacotherapy
Pharmacotherapy II
Pulmonary Diseases (Lecturer and Module Coordinator)
Immunological Diseases (Lecturer and Module Coordinator)
Patient Assessment
Pharmacy Practice I
Evidence-Based Diabetes Management
Principles of Healthcare Delivery
Ambulatory Care in Appalachia (Lecturer and Course Coordinator)
Drug-Induced Diseases – Endocrinology

Clinical Instruction

Ambulatory Care/Primary Care Practice (APPE)
Institutional Introductory Practice Experiences (IPPE)

Residency Instruction

PGY2 Ambulatory Care Residency

Additional Instruction

Communication Skills for Health Professionals
Pharmacotherapy II Lab
Pharmacotherapy III Lab
Pharmacotherapy Simulation Lab
Clinical Seminar II
Patient Assessment Lab
APhA Immunization Program

East Tennessee State University College of Nursing

2012

Primary Care Case Study
BSN to DNP program

University of Tennessee College of Pharmacy

2008-2009

Medication Therapy Management
Diabetes Education Program
Cardiology Selective
Diabetes Elective
